2026 Scholarship Rules and Regulations for ‘Teen’

Let it be known that a primary goal of the Miss America Program is to help young women further their education by providing them the in-kind and cash scholarships needed to move forward or continue in school. The primary intent of these educational scholarships is to help provide the financial means to achieve the highest possible level of education.

1. **Scholarships will be awarded to the titleholders and the 1st Runner-Up** (there must be 7 contestants competing in order for us to have a 1st Runner-Up)

Scholarships shall be expended towards college tuition and educational expenses by the Miss Los Angeles County Scholarship Program committee.

2. Requests for scholarships are made directly to the **Treasurer of the Miss Los Angeles County Scholarship Program, Coleen Rockey, at 4190 LaFayette Place, Culver City, California 90232; Telephone: (310) 733-6671**. Request for payment must be accompanied by a cover letter from the titleholder together with the statements and invoices from the educational institution. Payment will be made directly to the educational institution on behalf of the contestant upon approval by the Miss Los Angeles County Scholarship Program Committee.
3. **Teen Titleholder:** If a teen is awarded a title in our competition, she must use the scholarships won in the Miss Los Angeles County Scholarship Program prior to applying for any state scholarships from the Miss California Organization before applying for state scholarships.
4. Scholarships should be used for current or future educational expenses. **Teen Titleholders and 1st Runner** (1st Runner-Up if applicable) should submit invoices for payment directly from the provider of the educational service or may submit a receipted bill and request reimbursement.
